Administrator

MEMORANDUM

February 25, 2009

To: Agency Fiscal Contacts

From: Richard W. Cox, Administrator
A & I Budget Division

RE: American Recovery and Reinvestment Act-(ARRA)

The Budget Division has been working with the Governor's Office, Legislature and the Wyoming ARRA Team in anticipation of receiving funding under the Act.

It has been determined the NAFR (New Adjusted Funds Request) and B-11 procedure will be used to access all State of Wyoming funding under the American Recovery and Reinvestment Act. You must receive the Governor's approval via the NAFR process to accept funding under the act.

We have developed a modified NAFR form and instructions which must be used when applying for stimulus funds under the act. The modified NAFR form and instructions are attached to this e-mail. They are also available on the A & I Budget Division Web site.

Should you have any additional questions or concerns, please contact me. My office phone number is (307) - 777-6045. My e-mail address is: rcox1@state.wy.us

Thank you for your attention to this matter.
